FORBES/GSA/WOLF (REAL PROPERTY MANAGEMENT)

JUN 29 1953

The Honorable Russell Forbes
Acting Administrator
General Services Administration
Washington 25, D. C.

Dear Mr. Forbes:

Your proposed Regulations covering Chapters I through VII, Title 2, Real Property Management, have been reviewed, and this Agency has no recommendation for any change.

However, there are provisions in the Regulations, such as the requirement in Section 201.00 that space reports be filed with the appropriate Regional Office of General Services Administration, which security considerations prevent the Agency from following.

As you know, although Section 502(d)17 of Public Law 152 exempts the CIA generally from the provisions of that Law, it is our intention to follow its provisions and the provisions of implementing General Services Administration Regulations to the fullest extent possible within, of course, certain necessary operational limitations.

The CIA will continue to comply with the intent of the Regulations by informal contact with activities of the General Services Administration.

Sincerely,

/s/
Walter Reid Wolf
Deputy Director
